## **We encourage children to achieve their personal best!!**

At Foundation Nursery Schools, We truly believe in providing a unique 'home from home' environment where your children's individual personalities are nurtured and encouraged to develop.

It is our undertaking to see that every child who attends our inquisitive learning environment leaves with a huge amount of confidence in their own abilities and with a stimulated, inquisitive mind. They will be ready and prepared for the transition to 'big school' and the endless opportunities it will bring.

**growth, stimulation & friendship**
